## ABOUT STEVE

- Pasco resident for over 15 years
- Married 18yrs. with a family of 4 children
- Children attend public school in Pasco
- Serve in local church congregation
- FCC-licensed Amateur Radio Operator
- State Licensed Electrician
- Completed an 5yr. NJATC electrical apprenticeship
- Obtained an AOS degree in Avionics/Electronics
- Precinct Committee Officer for the Franklin County Republican Central Committee
- Participate in local Amateur Radio Clubs and events
- Volunteer at children's' athletics

## MY PRIORITIES:

- **Parents First:** 
  - Support parents in their primary responsibility to educate their children in accordance with their values and beliefs.
  - Parental audits of class teaching in a non-disruptive manner
  - Expand Parental permission requirements for services and non-curricular activities.
- **Quality Education:** 
  - Programs and curriculum that focus on knowledge-based standards and the arts
  - Curriculum, instructional materials, and books that are age-appropriate
- **Informed Citizenship:** 
  - Students are taught American history that is balanced and accurate and teaches the best parts of our constitutional republic and heritage.
  - Students are taught civics and US cultural literacy, and build national commonality
- **Financial Responsibility:** 
  - Manage finances to benefit district function and not special interest groups.
  - Cost conscious conservative spending policies.
